

AgiOS Announces Closing of Public Offering and Full Exercise of Option to Purchase Additional Shares

January 23, 2018

CAMBRIDGE, Mass., Jan. 23, 2018 (GLOBE NEWSWIRE) -- Agios Pharmaceuticals, Inc. (Nasdaq:AGIO) today announced the closing of its previously announced underwritten public offering of common stock, including the exercise in full by the underwriters of their option to purchase an additional 1,063,433 shares at the public offering price of \$67.00 per share. The exercise of the option to purchase additional shares brought the total number of shares of common stock sold by Agios to 8,152,986 shares and increased the amount of gross proceeds raised in the offering, before underwriting discounts and estimated expenses of the offering, to approximately \$546.3 million.

J.P. Morgan Securities LLC, Goldman Sachs & Co. LLC and Cowen and Company, LLC acted as joint book-running managers for the offering. RBC Capital Markets, LLC and SunTrust Robinson Humphrey, Inc. served as lead managers for the offering.

The shares were offered by Agios pursuant to an automatically effective shelf registration statement that was previously filed with the Securities and Exchange Commission ("SEC"). A prospectus supplement relating to, and describing the terms of, the offering has been filed with the SEC and is available on the SEC's web site at www.sec.gov.
